

Proposal regarding transfer of own shares (item 19)

The Board of Directors proposes that the annual general meeting resolves that not more than 135,082 series C shares that Swedish Orphan Biovitrum has purchased by virtue of the authorization to repurchase its own shares that was approved by the annual general meeting 2010 may, following conversion into common shares and prior to the annual general meeting 2014, be transferred for the purpose of covering certain payments, primarily social security charges that may occur in relation to the Share Program 2010. Transfer of shares shall be effected on NASDAQ OMX Stockholm at a price within the, at each time, prevailing price interval for the share. The number of shares that may be transferred shall be subject to recalculation in the event of an intervening bonus issue, split, rights issue and/or other similar events.

Majority requirements, etc.

The purpose of the Board of Directors' proposal to acquire shares is to secure for future cash flow effects due to payments of social security costs connected with the Share Program 2010. A valid resolution requires approval of shareholders representing at least two-thirds of the votes cast as well as the shares represented at the general meeting.
