Implementation of a Management Programme and an All Employee Programme in accordance with A.I and A.II, respectively, and hedging arrangements in respect thereof in accordance with B.I and B.II, respectively, or C (item 17)

Background

The Board of Directors of Swedish Orphan Biovitrum AB (publ) ("**Sobi**") proposes that the Annual General Meeting 2023 resolves on the implementation of long-term incentive programmes, giving all permanent employees of the Sobi Group the opportunity of becoming shareholders in Sobi. A division into two parts is proposed: (I) one part directed to managers and executives (the "**Management Programme**") and (II) one part directed to all other employees (the "**All Employee Programme**", jointly with the Management Programme, the "**Programmes**"), with separate resolutions on each part.

The overall purpose of the Programmes is to closely align the employees' interests with those of the shareholders and to create a long-term commitment to Sobi. The Management Programme provides Sobi with a crucial component of a competitive total remuneration package with which to attract and retain executives who are critical to Sobi's long-term success. The purpose of the All Employee Programme is to create commitment and motivation for the entire permanent workforce of the Sobi Group. For these reasons the Board of Directors considers that having recurring long-term incentive programmes is a vital and important part of Sobi's total remuneration package.

The Board of Directors of Sobi has evaluated the long-term incentive programmes approved by the Annual General Meeting 2022 and has concluded that the All Employee Programme as well as the Management Programme work well and satisfy the intended purposes.

Similar to the incentive programmes approved by the Annual General Meeting 2022, the Programmes shall be inspiring, achievable, easy to understand, cost effective to administer, easy to communicate and in line with market practice. Following implementation of the Programmes, the Board of Directors intends to carry out an evaluation thereof in order to systematically analyse the achieved results in relation to the aims outlined above. The aim of the evaluation will be to determine whether the Programmes satisfies their purposes, and this will also include a review of the outcome and the costs for the Programmes.

A. Implementation of the Programmes

The Board of Directors proposes that the Annual General Meeting 2023 resolves on implementation of the Programmes in accordance with the principal terms and conditions set out below:

I. The Management Programme

It is proposed that the Management Programme be open to no more than 341 permanent employees of the Sobi Group, whereof no more than 270 employees on director level of the Sobi Group ("**Band D**"), no more than 40 employees on vice president level of the Sobi Group ("**Band C**"), no more than 15 pre-selected key employees of the Sobi Group ("**Band B2**"), no more than 15 employees who are members of the Executive Committee of the Sobi Group ("**Band B1**") and the CEO of Sobi ("**CEO**"), on the following terms and conditions and the terms and conditions set out in item A.III below.

Performance shares

- a) Each participant in Band D, Band C, Band B2, Band B1 and the CEO will free of charge receive a performance share award under the Management Programme (“**LTIP Award**”) entitling the participant to receive an allocation of a number of Sobi common shares free of charge from Sobi or from a designated third party, subject to the satisfaction of the condition in section e) below as well as the satisfaction of the performance conditions set out in section c) below (“**Management Performance Shares**”). Any Management Performance Shares will be allocated after the expiration of the three-year vesting period beginning on the date that Sobi starts inviting the employees in Band D, Band C, Band B2, Band B1 and the CEO to participate in the Management Programme (the “**Vesting Period**”). Sobi must invite the employees in Band D, Band C, Band B2, Band B1 and the CEO to participate in the Management Programme no later than on 31 December 2023.
- b) The value of the underlying shares at the time of grant in respect of each LTIP Award will amount to (i) 150% of the gross annual fixed salary in 2023 for the CEO, (ii) 75% of the gross annual fixed salary in 2023 for each Band B1 participant, on an individual basis, (iii) 75% of the gross annual fixed salary in 2023 for each Band B2 participant, on an individual basis, (iv) the sum of 37.5% of the average gross annual fixed salary in 2023 for Band C participants and 37.5% of the gross annual fixed salary in 2023 for each Band C participant, on an individual basis, and (v) 35% of the average gross annual fixed salary in 2023 for Band D participants. The share price used to calculate the value of the underlying shares in respect of each LTIP Award, and hence the number of shares to which each LTIP Award entitles, shall be the volume-weighted average price paid for the Sobi common share on Nasdaq Stockholm, adjusted for any dividend payments, during a period of ten trading days in connection with the commencement of the Vesting Period.
- c) The portion (if any) of an LTIP Award that will vest at the end of the Vesting Period is based on and subject to the satisfaction of the following performance conditions:

Absolute TSR¹ increase

60% of an LTIP Award granted to a participant will be subject to satisfaction of certain levels of absolute TSR increase over the Vesting Period. In order for any vesting related to absolute TSR increase to occur, the TSR must increase by more than 10% over the Vesting Period. In order for full vesting related to absolute TSR increase to occur, the TSR must increase by at least 40% over the Vesting Period. If the TSR increase is between 10% and 40% over the Vesting Period, a linear vesting related to absolute TSR increase will occur. The calculation of the TSR shall for the purpose of the TSR performance condition be based on a comparison of the volume-weighted average price paid for the Sobi common share on Nasdaq Stockholm, adjusted for any dividend payments, during a period of ten trading days in connection with the start of the Vesting Period and the volume-weighted average price paid for the Sobi common share on Nasdaq Stockholm, adjusted for any dividend payments, during the last ten trading days of the Vesting Period.

¹ Total Shareholder Return.

Annual revenues

40% of an LTIP Award granted to a participant will be subject to the Sobi Group's actual annual revenues reaching or exceeding the Sobi Group's target annual revenues for the Management Programme as set by the Board of Directors each year. A comparison shall be made for each of the financial years 2023, 2024 and 2025. If the threshold is reached or exceeded for a financial year, full vesting related to annual revenues in respect of that financial year will occur (i.e. 1/3 of 40%). If the threshold is not reached for a financial year, no vesting related to annual revenues in respect of that financial year will occur.

- d) Management Performance Shares may be allocated only after the expiration of the Vesting Period, unless the Board of Directors of Sobi in an individual case resolves otherwise.
- e) In order for a Management Programme participant to be allocated Management Performance Shares it is a condition that, with certain specific exemptions, he/she has been permanently employed within the Sobi Group for the duration of the whole Vesting Period.
- f) If significant changes in the Sobi Group or in the market occur which, in the opinion of the Board of Directors, would result in a situation where the conditions for allocation of Management Performance Shares become unreasonable, the Board of Directors shall be entitled to make adjustments to the Management Programme, including, among other things, be entitled to resolve on a reduced allocation of Management Performance Shares, or that no Management Performance Shares shall be allocated at all.

Employee stock options

- a) In addition to the LTIP Award, the CEO as well as Band B1 and Band B2 participants (approximately 31 employees in total) shall free of charge be awarded employee stock options ("**Options**").
- b) The Options shall not be deemed securities and shall be non-transferable.
- c) The Options shall be awarded as soon as possible after the Annual General Meeting 2023. For new employees awards may take place at a later point in time but no later than on 31 December 2023.
- d) Each Option shall entitle the holder to acquire one Sobi common share ("**Option Share**") at a strike price equivalent to 105% of the volume-weighted average price paid for the Sobi common share at Nasdaq Stockholm, adjusted for any dividend payments, during a period of ten trading days in connection with the commencement of the Vesting Period (the "**Strike price**"). The Strike Price shall be rounded to the nearest SEK 0.01, whereby SEK 0.005 shall be rounded upwards. The Strike price and the number of Option Shares that may be acquired for each Option will be subject to recalculation as a result of intervening bonus issues, splits, rights issues and/or other similar corporate events.
- e) The value of each award of Options will amount to (i) 150% of the gross annual fixed salary in 2023 for the CEO, (ii) 75% of the gross annual fixed salary in 2023 for each Band B1 participant, on an individual basis and (iii) 75% of the gross annual fixed salary in 2023 for

for each Band B2 participant, on an individual basis. The valuation of the Options will be carried out pursuant to Black & Scholes. The aggregate number of Options awarded will not exceed 1,647,605 and amount to:

CEO: no more than 266,648 Options.

Band B1: no more than between 28,491 and 93,128 Options per person, depending on the size of the gross annual fixed salary in 2023.

Band B2: no more than between 15,669 and 59,501 Options per person, depending on the size of the gross annual fixed salary in 2023.

- f) Each holder of Options shall be entitled to exercise the Options as from the third anniversary of the award date, up to and including the fifth anniversary of the award date ("**Exercise Period**"), subject to satisfaction of the condition in section h) below as well as the satisfaction of the performance condition set out in section g) below. In accordance with customary terms and conditions, it shall be possible to exercise the Options prematurely in the event of, inter alia, compulsory redemption of shares, liquidation or merger.
- g) The vesting of Options will be subject to the Sobi Group's actual average revenues reaching or exceeding the Sobi Group's average target revenues for the Management Programme as set by the Board of Directors each year over the financial years 2023-2025. If the threshold is reached or exceeded, full vesting of Options will occur. If the threshold is not reached, no vesting of Options will occur.
- h) In order for a Management Programme participant to be eligible to exercise Options it is a condition that, with certain specific exemptions, he/she has been permanently employed within the Sobi Group from the start of the Vesting Period up until the time of exercise of Options.
- i) If significant changes in the Sobi Group or in the market occur which would result in a situation where the Board of Directors considers the number of Options subject to exercise to be unreasonable, the Board of Directors shall be entitled to reduce the number of Options subject to exercise. Such reduction may result in the number of Options subject to exercise being reduced to zero. Further, the value of each Sobi common share received upon exercise of Options shall be capped to three times the Strike price, meaning that the number of Sobi common shares delivered to Management Program participants upon exercise of Options may be reduced.

II. The All Employee Programme

It is proposed that the All Employee Programme be open to approximately 825 permanent employees of the Sobi Group ("**Employees**"), on the following terms and conditions and the terms and conditions set out in item A.III below.

- a) The All Employee Programme will require Employees to make investments of their own in common shares in Sobi on Nasdaq Stockholm ("**Employee Investment Shares**"). For each

Employee Investment Share, the Employees will have the possibility to be allocated two common shares in Sobi free of charge ("**Employee Matching Shares**"), from Sobi or from a designated third party. The Employee Matching Shares will be allocated following expiration of the three-year vesting period beginning on the date that Sobi starts inviting the Employees to participate in the All Employee Programme (the "**Vesting Period**"). Sobi must invite the Employees to participate in the All Employee Programme no later than on 31 December 2023.

- b) The maximum number of Employee Investment Shares each Employee may invest in depends on the gross annual average fixed salary for Employees in 2023. Employee Investment Shares may be acquired for an amount corresponding to no more than 2.5% of the gross annual average fixed salary for Employees in 2023.
- c) All Employee Programme participants must purchase Employee Investment Shares in connection with the start of the Vesting Period.
- d) Employee Matching Shares may be allocated only after the expiration of the Vesting Period, unless the Board of Directors of Sobi in an individual case resolves otherwise.
- e) In order for an All Employee Programme participant to be allocated Employee Matching Shares it is a condition that, with certain specific exemptions, he/she has been permanently employed within the Sobi Group for the duration of the whole Vesting Period and that the participant, until the expiration of this Vesting Period, has retained the Employee Investment Shares purchased. Any disposal of Employee Investment Shares prior to the expiration of the Vesting Period will generally result in no Employee Matching Shares being allocated.

III. *Terms and conditions applying to the Management Programme and the All Employee Programme*

- a) The Board of Directors shall be authorised to establish the detailed terms and conditions for the Programmes. The Board of Directors may, in that regard, make necessary or appropriate adjustments to satisfy certain regulations or market conditions outside Sweden, including, among other things, to offer cash settlement.
- b) Participation in the Programmes presupposes that such participation is legally possible in the various jurisdictions concerned and that the administrative costs and financial efforts are reasonable in the opinion of the Board of Directors.
- c) The Programmes shall jointly comprise no more than 4,038,431 common shares in Sobi, of which 1,413,067 constitute Management Performance Shares, 1,647,605 constitute Option Shares and 143,550 constitute Employee Matching Shares. The remaining 834,209 common shares in Sobi are such shares that may be transferred by Sobi in order to cover the cash flow effects associated with the Programmes, primarily social security charges.
- d) The number of Employee Matching Shares, Option Shares and Management Performance Shares, will be subject to recalculation as a result of intervening bonus issues, splits, rights issues and/or other similar corporate events.

Costs for the Programmes etc.

The costs for the Programmes, which are charged in the profit and loss account, are calculated according to the accounting standard IFRS 2 and distributed on a linear basis over the Vesting Period. The calculation has been made based on the following assumptions: (i) a market price of the Sobi common share of SEK 234, (ii) no dividend is paid by Sobi during the Programmes, (iii) an assessment of future volatility in respect of the Sobi common share, (iv) full vesting of Management Performance Shares related to annual revenues will occur, and (v) full vesting of Options. In total, this can lead to maximum costs for the Programmes of approximately SEK 273.9 million, excluding social security costs. The costs for social security charges are calculated to approximately SEK 117.7 million assuming an annual share price increase of 10% during the Vesting Period. In addition to what is set forth above, the maximum costs for the Programmes have been based on a share price of SEK 234 at the time of the commencement of the Vesting Period, that the Programmes comprise 1,166 participants in total, that each All Employee Programme participant makes a maximum investment and based on historical employee turnover for the Sobi Group of 12%. If the share price increases from SEK 234 with 10% until the implementation of the Programmes the effect on costs would only be marginal as the number of Employee Matching Shares, Management Performance Shares and Option Shares would be reduced correspondingly. Also in case of a decrease in the share price the effect on costs would be marginal. Based on the assumptions above the annual costs for the Programmes, including social security charges, corresponds to approximately 3.6% of Sobi's total annual employee costs.

If the Programmes had been implemented in 2022, if the company had had costs in accordance with the example in the preceding paragraph, and Employee Matching Shares, Management Performance Shares and Option Shares had been allocated in 2022 in accordance with the assumptions in the sample calculation, which among other things assumes an annual share price increase of 10% during the Vesting Period, the earnings per share for the financial year 2022 had decreased by SEK 0.47 to SEK 8.45 and the shareholders' equity per share for the financial year 2022 had decreased by SEK 1.18 to SEK 84.42.

Dilution

Upon full allocation of Employee Matching Shares, Management Performance Shares and Option Shares, the number of shares under the Programmes amounts to 3,204,222 common shares in Sobi, corresponding to a dilution effect of approximately 1.07% of the share capital and the votes. Aggregated with the 834,209 shares that may be transferred in order to cover the cash flow effects associated with the Programmes, primarily social security charges, the maximum dilution effect of the Programmes amounts to approximately 1.34% of the share capital and the votes. If all outstanding long-term incentive programmes are included in the calculation, then the corresponding maximum level of dilution amounts to 4.57%.

Hedging arrangements

The Board of Directors has considered different methods for transfer of shares under the Programmes, in order to implement the Programmes in a cost-effective and flexible manner. The Board of Directors has found the most cost-effective alternative to be, and thus proposes that the Annual General Meeting as a main alternative, with separate resolutions for the Management Programme and the All Employee Programme, resolves on (i) a directed issue of redeemable and convertible series C shares

and (ii) an authorisation for the Board of Directors to resolve on the repurchase of all issued redeemable and convertible series C shares. Following conversion to common shares in Sobi, the shares are intended to be transferred to the participants of the Programmes as well as transferred on a regulated market in order to cover the cash flow effects associated with the Programmes, primarily social security charges. For this purpose, the Board of Directors further proposes that the Annual General Meeting, with separate resolutions for the Management Programme and the All Employee Programme, resolves (iii) on transfers of own common shares free of charge to the participants of the Programmes. As further described in item B.I.iii) and B.II.iii), respectively, below, the Board of Directors proposes that shares acquired for the purpose of securing Sobi's obligations under previous incentive programmes also may be transferred under the Programmes. The detailed conditions for the Board of Directors' main alternative are set out in item B.I and B.II, respectively, below.

Since the Programmes, in principle, are not expected to give rise to any initial social security payments for the Sobi Group, the Board of Directors has decided not to propose to the Annual General Meeting 2023 to resolve on transfers of own common shares on a regulated market in order to cover such payments. However, prior to the transfers of common shares to the participants of the Programmes, the Board of Directors intends to propose to the Annual General Meeting 2025 that transfers be made of own common shares on a regulated market in order to cover such costs.

Should the majority required under item B.I or B.II below not be reached, the Board of Directors proposes that Sobi shall be able to enter into an equity swap agreement with a third party, in accordance with item C. below.

Preparations of the proposal

The Compensation & Benefits Committee of Sobi has prepared guidelines for the proposed Programmes. These guidelines have been presented for and adopted by the Board of Directors.

The Board of Directors has established shareholding guidelines which recommend that the CEO and other members of the Executive Committee (Band B1 participants) accumulate personal holdings in Sobi shares representing a value of an annual gross base salary for the CEO and 50% of an annual gross base salary for other members of the Executive Committee, by maintaining Sobi shares already held as well as Sobi shares allocated under the Programmes and under previous incentive programmes. It is recommended that the personal holding of shares is established within three years from being appointed Executive Committee Member. It is recommended that the CEO and other Executive Committee members maintain shares of such a value for the duration of their appointment as CEO or other Executive Committee member.

Hedging arrangements in respect of the Programmes

B. Directed issue of redeemable and convertible series C shares, authorisation for the Board of Directors to resolve to repurchase all issued redeemable and convertible series C shares and transfers of own common shares to the participants of the Programmes

I. Management Programme

i) Resolution on a directed issue of redeemable and convertible series C shares

Increase of Sobi's share capital by no more than SEK 840,624.46 through an issue of no more than 1,532,014 series C shares in Sobi. The issue shall be effected on the following terms:

- a) The new shares shall – with deviation from the shareholders' preferential right to subscribe for shares – be subscribed for only by an external party who has been informed in advance.
- b) The price to be paid for each new share shall correspond to the quotient value of the share at the time of the subscription of the shares.²
- c) The new shares shall be subscribed for during the period 10 May – 9 November 2023. Oversubscription is not permitted.

iii) Resolution on transfers of own common shares to the participants of the Management Programme

Series C shares have been issued and repurchased by Sobi under previous incentive programmes for the purpose of securing Sobi's obligations under such programmes. Those shares have been converted to common shares. Full allocation of shares will not take place under these programmes and, accordingly, all shares will not be required to secure the obligations under such programmes. The Board of Directors proposes that 2,317,763 common shares, which are no longer required to secure the obligations of Sobi under previous incentive programmes, together with the shares issued and repurchased in accordance with items B.I.i) and B.I.ii) above, following conversion to common shares, may be transferred under the Management Programme.

Transfers of Sobi's own common shares to the participants of the Management Programme may be made on the following terms:

- a) Transfers may be made only of common shares in Sobi, whereby a maximum of 3,060,672 common shares in Sobi (corresponding to 1,413,067 Management Performance Shares and 1,647,605 Option Shares) may be transferred free of charge to participants of the Management Programme.
- b) Right to purchase common shares in Sobi free of charge shall – with deviation from the shareholders' preferential rights – be granted to such persons within the Sobi Group who are participants in the Management Programme.
- c) Transfers of common shares in Sobi shall be made free of charge at the time and on the other terms that the Management Programme's participants are entitled to be allocated shares.
- d) The number of common shares in Sobi that may be transferred under the Management Programme will be subject to recalculation as a result of intervening bonus issues, splits, rights issues and/or other similar corporate events.

iii) Resolution on transfers of own common shares to the participants of the All Employee Programme

The Board of Directors proposes that the shares issued and repurchased in accordance with items B.II.i) and B.II.ii) above, following conversion to common shares, may be transferred under the All Employee Programme.

C. *Equity swap agreement with a third party*

Should the majority required under item B.I and/or B.II above not be reached, the Board of Directors proposes that the Annual General Meeting resolves that the expected financial exposure of the Management Programme (if the required majority is not obtained for item B.I) and/or the All Employee Programme (if the required majority is not obtained for item B.II) shall be hedged by Sobi being able to enter into an equity swap agreement with a third party on terms in accordance with market practice, whereby the third party in its own name shall be entitled to acquire and transfer common shares in Sobi to participants of the Programmes.

Conditions

The Annual General Meeting's resolution on the implementation of the Management Programme according to item A.I above is conditional upon the Annual General Meeting either resolving in accordance with the Board of Directors' proposal under item B.I above or in accordance with the Board of Directors' proposal under item C above, and the Annual General Meeting's resolution on the implementation of the All Employee Program according to item A.II above, is conditional upon the Annual General Meeting either resolving in accordance with the Board of Directors' proposal under item B.II above or in accordance with the Board of Directors' proposal under item C. above.

Majority requirements, etc.

Each of the Annual General Meeting's resolutions according to item A.I and item A.II above requires a simple majority of the votes cast. A valid resolution under item B.I above and B.II above respectively, requires that shareholders representing not less than nine-tenths of the votes cast as well as of the shares represented at the Annual General Meeting approve the resolution. A valid resolution under item C. above requires a simple majority of the votes cast.

The issues, repurchases and transfers of shares in Sobi described above are integral parts of the proposed Programmes. Therefore, and in light of the above, the Board of Directors considers it to be advantageous for Sobi and the shareholders that the Programmes' participants are invited to become shareholders in Sobi.

For the purpose of minimising Sobi's costs for the Programmes, the subscription price has been set at the quotient value of the share.

Authorisation for the CEO

The Board of Directors proposes that the CEO shall be authorised to make the minor adjustments to the above resolution regarding the directed issues of redeemable and convertible series C shares in connection with the registration thereof with the Swedish Companies Registration Office (Sw: *Bolagsverket*) and Euroclear Sweden AB.

Approval to authorise the issuance of new shares and/or convertible bonds and/or warrants (item 18)

The Board of Directors proposes that the Annual General Meeting resolves to authorise the Board of Directors to resolve, on one or several occasions, prior to the next Annual General Meeting, on a pre-emptive or non-pre-emptive basis, on the issuance of shares and/or convertible bonds and/or warrants. Such resolution may provide for payment in kind, payment against set-off of claims and/or on other conditions. The number of shares that may be issued, the number of shares that convertible

bonds may be converted into and the number of shares that may be subscribed for by the exercise of warrants may not exceed 34,400,000 shares in total.

The Board of Directors, or any person appointed by it, is authorised to make any minor adjustments to the resolution that may be necessary to enable registration with the Swedish Companies Registration Office.

Majority requirements, etc.

The purpose of the authorisation is to enable payment through the issuance of own financial instruments in connection with possible transactions that the company may make as well as to raise capital in order to finance completed or future transactions that the company may make. A valid resolution in accordance with the Board of Directors' proposal requires that shareholders representing at least two-thirds of both the number of votes cast and the shares represented at the Annual General Meeting support the resolution.

Transfer of own shares (item 19)

The Board of Directors proposes that the Annual General Meeting resolves that not more than 556,986 common shares may, prior to the Annual General Meeting 2024, be transferred for the purpose of covering certain payments, primarily social security charges that may occur in relation to the incentive programmes 2019 and 2020. Transfer of shares shall be effected on Nasdaq Stockholm at a price within the, at each time, prevailing price interval for the share. The number of shares that may be transferred shall be subject to recalculation in the event of an intervening bonus issue, split, rights issue and/or other similar events.

Majority requirements, etc.

The purpose of the Board of Directors' proposal to transfer shares is to secure for future cash flow effects due to payments of social security costs connected with the incentive programmes 2019 and 2020.
