Stockholm, 10 September 2025

Invitation: Sobi's NASP and Uncontrolled Gout call and webcast

NASP (previously known as SEL-212) - clinical program overview and uncontrolled gout disease landscape.

Investors, analysts, and members of the media are invited to a conference call on Tuesday, 16 September, at 16:30 CEST, 15:30 BST, and 10:30 EDT. The call will present insights from management and Dr. Herbert Baraf on the NASP program, following the US FDA acceptance of the filing submission of NASP for the potential treatment of uncontrolled gout.

The presentation can be followed live [here](#) or afterwards on sobi.com. The slides will be made available on sobi.com before the conference call.
